

# SIMKA

## ALPHA OMEGA-3

CONSCIOUSLY FORMULATED FOR  
YOUR HEALTH AND SKIN NUTRITION

SIMKA is a consciously formulated skincare brand founded to support the function of the skin. Developed by the distributors of dermaivduals in Australia and New Zealand, SIMKA's clinical formulas work to defend against the internal and external factors that drive a variety of skin manifestations.

We are committed to partnering with causes that champion holistic wellbeing, and our transparent and sustainable practices ensure you can trust us to prioritise your skin health above all else.

SIMKA Alpha Omega-3 golden algae oil, is grown pure and water extracted to provide the most nutrient rich Omega-3 supplement available. Formulated to provide 99% DHA, SIMKA Alpha Omega-3 is recognised by the body and used immediately without the need for a complicated conversion process.

### Designed to support skin conditions including:

- Dry & scaly skin
- Atopic skin conditions (eczema, psoriasis & dermatitis)
- Pigmentation
- Ance (all grades)
- Age management
- Incomplete corneocyte compaction

### Proven to additionally support:

- Fatigue
- Brain fog & mood disorders
- Joint and muscle pain
- Dry eyes & impaired vision
- Cardiovascular health
